- **The Ice is Your Playground** - New Creative Attack moves give you full control to execute the highlight-reel, jaw-dropping plays seen by young superstars in today's new NHL. On offense, all-new creative dekes include between-the-legs moves, one-handed dekes, back-handed toe-drag and much more - including the ability to branch moves together for moment-to-moment decision making. On defense, the all-new Defensive Skill Stick gives you the tools to counter attacks with poke check targeting, extended
- **Arcade-Inspired 3-on-3 Hockey** - Introducing NHL THREES, a bold new take on fast-paced, over-the-top 3-on-3 hockey action. The all-new, arcade-inspired hockey experience features faster gameplay, bigger hits and high-scoring action that's easy to pick-up-and-play. Enter unique NHL THREES arenas with all-new commentary and pick your style of play, from fast-fun couch co-op to fully competitive online team play where you choose the game rules and modifiers. Take on the NHL THREES circuit-style Camp
- **Experience Expansion In The New NHL** - In Franchise Mode, reshape the entire NHL with the new Expansion Draft feature where you get to create and draft a 32nd NHL team and shake up the league. Run an authentic expansion draft where you select the best players from across the league, build a unique roster and take on the front office role to manage the team, the business and the games. Select the hometown for your 32nd team from cities all across North America and
